The Berkshire Conservation District will hold a meeting via Zoom on the date and time listed above and accessed by the link included in this notice and as posted to the District website at www.berkshireconservation.org. Meetings of the Berkshire Conservation District are scheduled for the first Wednesday of each month.

This Open Meeting is being conducted remotely and is consistent with Governor Baker's Executive Order of March 12, 2020, imposing limitations on the number of people that may gather in one place and suspends the requirement of the Open Meeting Law to have all meetings in a publicly accessible physical location. The Order allows public bodies to meet entirely remotely so long as reasonable public access is afforded so that the public can follow along with the deliberations of the meeting. This meeting will feature a public comment period and, unless posted otherwise, will convene via Zoom. Please note that this meeting will be recorded. Members of the public who wish to speak during the public comment period are asked to identify themselves for the record.
